

International Marching League

The I.M.L was founded in 1987 in Tokyo, Japan.

Its aim is to encourage friendship between people of the world by organising international, non-competitive walking events.

The I.M.L. has 26 member countries including France which was accepted in March 2004 and Lithuania in October 2014 at the General Assembly IML in Korea.

The I.M.L has set up a system of individual rewards which takes into account the number of events completed by a person in the various member countries of I.M.L.
